

HXL2F

Vacuum / Pressure Pump

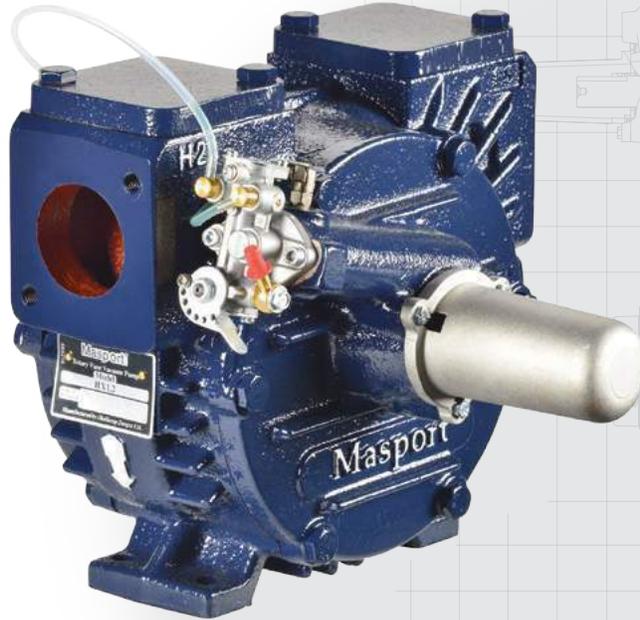

Masport have been manufacturing vacuum/pressure pumps for over 100 years, so you can be sure of engineering excellence.

The Masport range of HXL pumps are specifically designed and engineered to meet the needs of hard working pumpers around the world.

To produce our precision pumps, we only use the finest quality components and materials to ensure the durability of your vacuum pump.

Every pump is factory tested before shipping and is backed up by a one year warranty against all manufacturing defects.

With Masport on board you have an efficient and reliable pump backed by the best service and support that has made Masport the #1 choice for pumpers worldwide.

Masport quality and performance

- ▶ Achieve minimum 27" Hg (Intermittent)
- ▶ Precise machining and assembly
- ▶ Heavy duty bearings
- ▶ Viton oil seals for longer service life
- ▶ Kevlar vanes are heat stabilized and machined with exacting tolerances for superior ruggedness and durability
- ▶ Superior pump life
- ▶ Mechanical oil pump with automatic oiling that delivers the right amount of oil at all working levels – no adjustment required
- ▶ Durable translucent high temperature oil lines – allows visible flow of oil to the pump
- ▶ End Thrust Protection prevents rotor to-endcover contact created by direct PTO drive or misaligned belt driven systems
- ▶ 1½" NPT bolt-on valve flanges for ease of installation
- ▶ ¼" NPT vane flush port
- ▶ Double end shaft accommodates clockwise or counter-clockwise drive systems
- ▶ Exclusive porting design providing multiple inlet and outlet porting configurations allowing for greater plumbing ease and versatility
- ▶ Easy to service
- ▶ One year performance warranty

75 CFM

Free Air Displacement

BUILT FOR THE HARD WORKING PUMPER

Superior reliability and performance features built into every Masport pump

Oil Reservoir and Flushing Kits available with either plastic or steel reservoirs

Automatic adjustment free mechanical oil pump

Extend pump life by installing a Flushing Kit

Heat stabilized Kevlar vanes machined to exacting tolerances
